

HSL Safe Descaler

The Worlds Safest, Most Effective,
Environmentally Friendly, Biodegradable Descaler

before

after

HSL Safe Descaler is a revolutionary liquid descaler that rapidly dissolves all water scale and lime, plus it removes rust and other non-soluble sedimentation deposits safely and effectively.

- **Biodegradable.** Won't harm the environment.
- **Safe.** Won't harm workers
- **Economical.** Compare cost to other products and cleaning options.
- **Fast.** Equipment is cleaned within a few hours.
- **Superior corrosion inhibitors.**
Lowest corrosion rate of any descaler.
- **Powerful detergents and penetrating agents.**

Scale removal = Lower energy costs

Ideal For:

- Boilers
- Chillers
- Condensers
- Heat Exchangers
- Oil Coolers
- Cooling Towers
- Water Piping Systems
- Liquid Ring Vacuum Pumps

Safe On:

- Steel
- Iron
- Copper
- Brass
- Plastic
- Rubber

Environmentally Friendly

HSL Safe Descale

Lowest Corrosion Rate

Based on corrosion tests by an independent laboratory, HSL Safe Descale has a significantly lower corrosion rate than its nearest competitor.

Mix ratio is according to level of scale to remove.
Do not dilute more than 25%.

HSL Safe Descale is certified by NSF to NSF/ANSI Standard 60

Certified to
NSF/ANSI 60

HSL Safe Descale is safe on steel, stainless steel, aluminium, iron, brass, copper, plastic, rubber, and other materials found in most water cooled, heated, or operated equipment.

Ideal for water heat exchangers, tankless hot water heaters, boilers, compressors, condensers, extruders, molds, cooling towers, furnaces, water

pipng systems and other water side heat exchange surfaces.

Dissolves all types of water scale, calcium carbonate, lime and rust.

before

after

Marine Applications.

Use *HSL Safe Descale* on marine applications too. It effectively removes water scale and mussels from marine equipment on all types of vessels.

Store product in the unopened container in a dry location @ 25°C.

Storage information may be indicated on the product container.

Shelf life 5 years from D.o.M.
